Our high quality products are distributed all over the world (Egypt, Saudi Arabia, Emirates, Kuwait, Iraq, Palestine, Jordan, Syria, Libya, Turkey, Qatar, Afghanistan, Tanzania, Russia, Ukraine, Belraus, Uzbekistan, Kazakhstan, Vietnam, Philippines, Thailand, Senegal, Morocco, Tunisia, Bahrain, Amman, Germany, France)

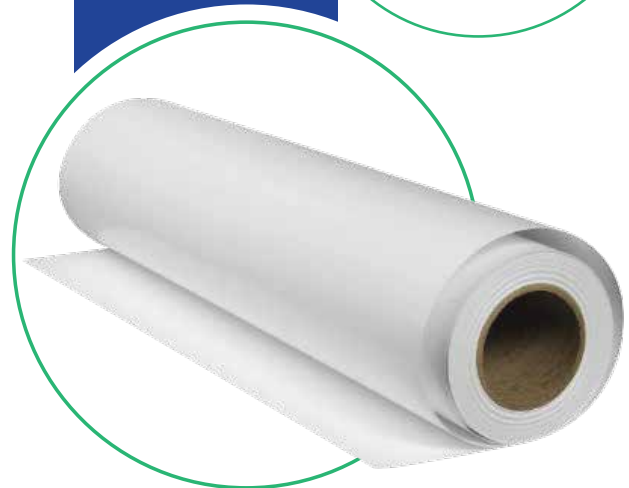

Wenzhou Lansheng paper co is founded on 2012 at Wenzhou city in China to become now the leading manufacturer of PE coated paper for food packaging products like: Paper cups, Soup Bowls & Burger boxes with special paper specifications from 150-350 GSM, whether single or double sided PE layer.

What was founded in China has now grown into 2 fully-fledged factories covering an area of about 20,000 square meters, with annual production that reaches over 100,000 tons.

the good news that we've launched a new line for making food packaging machines, so your project from A-Z is between safe hands.

We opened our Sales-Administrative Office in Egypt six years ago. Our Third Factory in Egypt will soon be relocated to a new country in order to expand our exporting zone and make it easier, faster, and cheaper for our clients.
